

## Tax and accounting solutions:

### • in Australia and the UK • for individuals and businesses

**bdhTax** is a firm of boutique accountants which specialises in advising on UK and Australian tax issues.

With offices in the UK and Australia, our team is accessible in both countries; we are the preferred solution for migrants, returning Australians, expats, and businesses who are heading to Australia.

### Our fees are fixed and agreed in advance.

**bdhTax** provides services to individuals and to businesses, including:

- Tax planning, including advising on residency status in the UK and Australia, the structuring of investments, and pensions and superannuation in the UK and Australia.
- Guidance for non-UK residents receiving UK rental income, non-UK residents receiving pension income from the UK, and Tax File Number registration in Australia.
- Preparation of UK and Australian tax returns (including advice on tax deductions to reduce your tax liability), with all returns submitted to HM Revenue and the Australian Taxation Office electronically.
- Advice on the provisions of the Tax Treaty between the UK and Australia, to ensure income is not taxed twice, and is taxed in the right country.
- Capital gains tax planning in the UK and Australia when an investment - such as a property - in one country is being sold by a resident of the other.
- Estate planning, including a consideration of tax domicile, inheritance tax in the UK, and capital gains tax in Australia.
- Advice on business structures and setting up businesses in Australia and the UK, including registering your business with the tax authorities.
- Winding up a business tax efficiently when you change the country in which you are living.
